

***CaregivingMetroWest.org* Sponsorships**

CaregivingMetroWest.org was launched with funding from the MetroWest Health Foundation. To maintain and expand the site, we rely on sponsors and donors who support our goal of providing comprehensive web-based information, resources and support for caregivers in the MetroWest region of Massachusetts and beyond.

Primary Sponsors – \$5,000 for one year

- Placement of logo on homepage in spinning display.
- Display consists of up to 12 logos, rotating approximately every seven seconds.
- Clicking on logo in spinner directs user to sponsor's homepage (or other specified page of sponsor's website), with link opening in separate window.
- **Primary Sponsors** will also be listed on sponsors page on *CaregivingMetroWest.org*, with logo, brief description of sponsor's company and/or services, address, phone number and link to sponsor's website.
- If **Primary Sponsor** provides a service or resource listed in our "Resources by Type" section, their listing will be placed in alphabetical order at the start of that page's listings, in a shaded box with text denoting their support for the site as a **Primary Sponsor**.
- Sponsors can purchase multiple spots on the spinner.
